Getting there.

Connect Studios are located upstairs in the Connection Arcade Cnr of Darcy and Church Street Mall Parramatta. See Map.

There is an entry in Darcy Street (parallel to the railway line) and an entry from the Church Street Mall. It's very close to the Church and Argyle street exit from Westfield cross the road under the railway line and its on your right down a couple of shops into the Church Street Mall.

Parramatta is very busy on Weekdays and Saturdays. The best parking for the workshops would be in the Westfield car park, and it's not free.

If you are traveling to Parramatta along Woodville Road, there are speed cameras everywhere so be careful I assume that they are all-around this area.

Riverside Theatres is located on the banks of the scenic Parramatta river in the heart of Parramatta - within walking distance to cheap parking and all major public transport. See Map
